

PacificSport VI Communicable Disease Safety Plan

Due to our experience with COVID-19 during 2021, the following Communicable Disease Safety Plan will be in place for all camps and activities hosted by PacificSport Vancouver Island as of July 1, 2021.

RULE #1:

If your child is experiencing any flu like symptoms stay home and do not attend camp. Contact us at 250-754-6200 to report your child's absence from camp.

Pick Up/ Drop Off

- Prior to campers arriving on site all Camp Staff will attest to having no flu like symptoms.
- Upon drop off and before parents leave, campers will be asked if they have had any flu or cold symptoms in past 24 hours, if campers have had fever, difficulty breathing or any flu symptoms they will not be able to participate in the camp.
- Upon drop off each camper must use the sanitation station (we will have a hand sanitizing station)
- If campers show any symptoms of illness throughout camp then parents will be contacted for pickup.

Hand Hygiene

Campers must...

- Use hand sanitizer station upon entry to the camp
- Use hand sanitizer station before and after snack and lunch
- Wash hands or use hand sanitizer station after using washrooms
- Wash hands or use hand sanitizer station after blowing nose, sneezing or crying
- Use hand sanitizer station upon pickup

Campers will be encouraged...

- To cough or sneeze into their elbow
- To ensure all used garbage (ie-tissues) are placed into the garbage can
- Not to touch eyes, mouth or nose throughout the day
- Not to share food or drinks

Physical Distancing

- 2m physical distancing is not currently required
- Should a camper present flu like symptoms during camp they will be separated from the group and parents will be called for pick up.

Cleaning and Disinfecting

- All sports equipment will be cleaned daily using disinfectant
- All high touch areas in the facility will be cleaned daily
- Toys from home will not be allowed at the camp

First Aid

- Staff will be available and have proper training for all first aid issues
- All staff MUST wear gloves which will be provided when administering any first aid issues
- All used first aid supplies will be put into an empty bag which will be sealed or tied before throwing in garbage

Should a camper or staff contract COVID or be in contact with someone who tested positive for COVID...

- Do not attend camp
- Contact Catharine immediately and give details of date of exposure or positive test
- Go to BC Centre for Disease Control for information about exposure and or contact Island Health 1-866-770-7798 for direction.
- Catharine will immediately contact all participants with the pertinent information.
- Camp will close for the rest of the week.
